

Thelbridge Cross Inn

Inclusive Wedding Reception Packages for 2016

We know how special your wedding day is, and at the Thelbridge Cross Inn we work extremely hard to ensure that you and all of your guests experience the utmost enjoyable and memorable occasion. We will plan your special day carefully with you and make sure that everything is the way you envisage. Our skill and experience will enable us to assist you with the important aspects, and help to ensure that nothing is forgotten. Your dedicated Wedding Coordinator will liaise with you leading up to the wedding and will of course be present at the entire event to supervise the proceedings.

We have devised for your convenience two fully inclusive wedding reception packages, the Exmoor wedding and the Dartmoor wedding. These packages cater for all the needs of your guests throughout the daytime event and ensure that there are no hidden costs along the way. You will see that they represent excellent value for money and include many extra benefits that do not come with our standard function menus.

Please note that all packages and menus are flexible and we aim to tailor each wedding to the individual requirements of the bride & groom, so please feel free to discuss your ideas and preferences with us.

A discount of 10% is available on Wedding Package prices for events which are on weekdays, or are in the quieter months of November, January, February & March.

A choice of additional evening catering options is also available, if required, to cater for your evening guests. These are also flexible to your specific requirements.

Our stunning Duke's Function Suite seats up to 120 diners, and is licensed for up to 200 for the evening reception. If you have not yet seen this elegant venue we would be delighted to arrange an appointment for you to view it and spend some time with you answering any questions you may have.

Unlike many other venues, at the Thelbridge Cross Inn we will take all food orders from your guests at the table on the day. Therefore there is no need for you to spend time compiling everybody's food choices in advance. The only thing we do request in advance is notice of any unusual dietary requirements such as wheat intolerance, diabetes etc, to ensure that we are equipped to cater for your guests satisfactorily.

In the unlikely event that our Wedding Packages aren't suitable for your particular needs, please enquire about other function options (such as without drinks included) and we will endeavour to arrange you an alternative which will suit you and your guests perfectly.

Thelbridge Cross Inn

Terms & Conditions of Wedding Function Bookings

Deposits

A deposit of £250.00 is required to secure the date and confirm the booking. If no deposit has been paid within 42 days of booking, we will endeavour to contact the client but in the event that we are unable to do so we reserve the right to cancel the booking without notice. Deposits will be deducted from the final function account but are non refundable in the event of cancellation of the booking.

Payment Instalments & Cancellations

Payments instalments are required as follows: Three months prior to the event – 50% of the total cost of the reception. Three weeks prior to the event – the remaining 50% of the cost of the reception. These amounts are non refundable in the event of cancellation of the wedding. We recommend that all clients seek wedding insurance to cover the costs incurred in the event that the wedding has to be cancelled or postponed due to unforeseen circumstances. Cancellations of wedding receptions must be confirmed to us in writing.

Method of Payment

We accept payment by cash, cheque or any major debit or credit card. Due to the processing costs involved, payments of over £500.00 made by credit card will be liable to a 2% surcharge. This does not apply to payments by debit card such as Switch and Maestro. Although the wedding reception is paid for in advance, some subsequent charges may accrue during the function (eg unplanned extra wine, food or bar drinks). These will be invoiced to the client for payment within 30 days. Cheques should be made payable to “Thelbridge Cross Inn Ltd”.

Final Numbers

The final payment instalment is paid according to the final numbers confirmed three weeks prior. This is the minimum number which will be charged for, regrettably there are no discounts or refunds for guests who subsequently cancel.

Minimum Numbers

Minimum group size for all Wedding Packages is 20 persons. If your party is smaller than this we can assist you in arriving at an alternative package more suitable for you and your guests. Please enquire for further details.

Price and Service Provision

The venue reserves the right to alter, withdraw, re-price or substitute any service or facility where it becomes operationally unviable to provide such services or facilities for reasons beyond our control, for example cost or availability of materials, closure of the premises due to fire or flood, incapacity of key member of staff, or any other reason. In all such cases a service of an equivalent or higher standard will be provided either on the premises or elsewhere at no additional cost.

Damage & Disorder

The client is liable for damage in any area of the premises or grounds caused by any of their guests as a direct result of the function, and undertakes to make good or reimburse the venue for any repairs or replacements necessary. Guests attending the function shall comply with all licensing, health & safety and other regulations relating to the venue, refrain from acting in an improper or disorderly manner and comply with any reasonable request by the venue management or employees. Guests will not consume any food or drink on the premises that has not been supplied by the venue. Children should be suitably supervised by a responsible adult at all times. Guests who do not comply with these requirements risk being refused service and may be asked to leave the premises.

Buffet Food

In line with food hygiene regulations, buffet food must be disposed of four hours after service. For this reason we are unable to permit uneaten buffet food to be taken home by clients or their guests for consumption later.
